3. Touch and slide (7 min): build am, at, sat, mat, Sam and Tam with kit tiles while your child reads each.
4. Mini book (4 min): read Sam together once, then your child reads it to you.
5. Write (3 min): your child traces and writes one row each of t, s, m and a on the handwriting page.

SOUND GAMES

Robot Talk: Blend 2 Sounds

10 min

Hear two spoken sounds and blend them into a word. No letters.

Watch me I do it, you watch

SAY

Robot talk! Robots say two sounds, then the word.

/a/ ... /m/. Clap: am! /m/ ... /ee/ as in see. Clap: me!

/i/ ... /f/. Clap: if!

- Tap your left knee for the first sound, your right knee for the second.
- Clap and say the word smoothly. Hold stretchy sounds; keep /t/ quick and whispered.

We do together

SAY

Our turn. Knees, knees, clap. /a/ ... /t/. at!

/s/ ... /ee/. see!

/t/ ... /ee/. tea! Quick /t/, no uh.

- Say the sounds together, tapping knees, then clap and say the word together.
- Do each word twice; the second time, say the sounds closer and faster.

You do the child alone

SAY

Your turn, robot. Tap, tap, clap. /i/ ... /t/.

/t/ ... /oo/ as in moon.

/i/ ... /n/.

- You say the two sounds; the child taps, claps and says the word alone.
- Mix all nine words in new orders until the 10 minutes are up.

If your child gets it wrong

- Child repeats the sounds? My turn: /a/ ... /m/, am. Our turn. Your turn.
- Wrong word? Say the sounds closer together: /a/ /m/, am. Then test again.

LETTER DRILL

Letter Drill: a m s t

3 min

Say the name, sound and key picture for a m s t, small and capital.

Watch me I do it, you watch

SAY

Name, sound, picture. Watch me.

The letter m, /m/, map. The letter t, /t/, top.

/t/ is quick and whispered. No uh.

- Lay the kit tiles a m s t and A M S T in two rows.
- Point to m, then t, as you say each one.

We do together

SAY

Say it with me. The letter a, /a/, apple.

Now a capital. The letter S, /s/, sun.

- Point to small a, then capital S; say all three parts together.
- Hold the stretchy sounds /a/ and /s/ for two seconds.

You do the child alone

SAY

Your turn. I point, you say name, sound, picture.

Small and capital, mixed up. Ready?

- Point to all 8 tiles in mixed order at a brisk pace.
- Come back to any slow tile two more times.

If your child gets it wrong

- Extra uh? My turn: /m/, lips closed, no uh. Our turn. Your turn.
- Name and sound mixed up? Say name, sound, picture together, then test that tile again.

NEW SKILL

Touch and Slide: Read Six Words

20 min

Blend sounds to read am, at, sat, mat, Sam and Tam alone.

Watch me I do it, you watch

SAY

Watch me. Touch each letter, say its sound: /s/ /a/ /t/.

Now slide and blend, no gaps: /s/ /a/ /t/... sat!

The capital letter T starts Tam, our book's mouse: /t/ /a/ /m/, Tam!

- Build sat with kit tiles. Touch under each tile, then slide your finger under the whole word.
- Hold /s/ and /a/ into each other; keep /t/ quick. Then build Tam the same way.

We do together

SAY

Our turn. Touch: /a/ /t/. Slide: at!

Add the letter s in front. Touch, touch, touch. Slide: sat!

Swap the letter s for the letter m. Touch and slide: mat!

- Build at, then change one tile at a time; read each new word together.
- The child touches the tiles; you both say the sounds and slide.

You do the child alone

SAY

Your turn alone. Read this one: am. Now add the capital letter S.

Swap it for the capital letter T. Read it. Who is Tam?

Now all six words, mixed up. Touch and slide each one.

- Build am, Sam, Tam, then at, sat, mat in mixed order; the child reads each alone.
- Thumbs up for each word read; come back to any miss at the end.

If your child gets it wrong

- Sounds but no word? My turn: /s/ /a/ /t/, sat. Our turn. Your turn, no gaps.
- Guessing? Touch each letter with me, say each sound, then slide and read.

READING TOGETHER

Reading together: Mini Book Sam

7 min

Read the decodable mini book Sam, pointing under each word and stopping at each period.

Watch me I do it, you watch

SAY

Watch me read. My finger goes under each word.

Sam. The dot is a period. It means stop.

This mark means read it with a big, happy voice!

- Read the cover and page 2; slide your finger under each word, pause at the period.
- Point to the exclamation mark on page 7 without reading the page.

We do together

SAY

Our turn, page 4. Touch and read: Sam sat.

Sam sat down. Let's sit, like Sam sat!

Page 5: Tam sat. Look, Tam sat on a mat.

- Read pages 3, 4 and 5 together; the child's finger points under each word.
- Everyone sits down tall after page 4.

You do the child alone

SAY

Your turn. Read pages 6, 7 and 8 by yourself.

Page 7 has a surprise. Read it with a big voice!

Last, Look Up, Look Up! I read, you point under each word.

- The child points and reads alone; wait 3 seconds before helping.
- Page 8: child reads Sam, Tam, sat, mat. Final minute: you reread Look Up, Look Up!; child points.

If your child gets it wrong

- Guessing from the picture? Point to the first letter. My turn, our turn, your turn.
- Skipped a word? Finger under each word, read the page together, then alone.

HANDWRITING

Handwriting: t s m a

10 min

Write t, s, m and a from the green dot, saying the path.

Watch me I do it, you watch

SAY

Sit tall. Pinch and flip. Watch my pencil start at the green dot.

t: Start near the top line. Pull straight down. Cross at the middle line: slide right.

s: Start just below the middle line. Curve back, then curve forward, like a snake.

- Trace the first t and s on the Handwriting: t s m a, day 13 page.
- Cross t on the middle line. Start s just below the middle line.

We do together

SAY

The letter m: Start at the middle line. Pull down. Push up, curve over, pull down.

Push up, curve over, pull down.

The letter a: Start just below the middle line.

Circle back all the way around. Push up to the middle line and pull straight down.

- Air-write m and a big together, saying the path, then trace the first one of each.
- Start m at the middle line; start a just below the middle line, as on the sheet.

You do the child alone

SAY

Your turn. Trace 3 of each from the green dot, then write one alone.

Whisper the path while you write.

- The child traces 3 and writes 1 of t, s, m and a.
- The child circles the best letter in each row.

Letter paths: say these words as you write

- **a** Start just below the middle line. Circle back all the way around. Push up to the middle line and pull straight down.
- **m** Start at the middle line. Pull down. Push up, curve over, pull down. Push up, curve over, pull down.

- Cross too high? My turn: the cross sits on the middle line. Our turn. Your turn.
- Circle goes forward? My turn: circle back all the way around. Trace together, then alone.

Quick check (2 minutes)

1. The child reads mat, Tam, at, Sam from kit tiles, in this new order.
2. The child reads page 6 of the mini book alone, pointing under each word.
3. You say /ee/ ... /t/, then /n/ ... /ee/; the child says eat, then knee.

Got it

Every word and both blends right: tomorrow run the full day 14 lesson.

Nearly

One or two misses: tomorrow, first reread the missed words on tiles with touch and slide (2 extra minutes).

Not yet

Three or more misses: tomorrow add 5 minutes (in class a small group; at home just you and your child): robot talk, then read am and at before 3-sound words.
