**Watch me** Say: "t: pull down, cross at the middle line. T: pull down, slide across the top. I trace 3, then I write one by myself from the big dot."

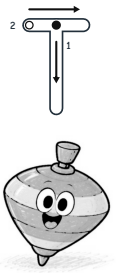

**We do** Write each letter in the air together, big, saying its path. Trace the first one together.

**You do** Your child traces 3 of each from the big dots, then writes one alone in the last space, saying the path.
